Debbi Chambers

“This introduction to Riley Matthews is a wonderful mystery that captivated me. I couldn’t put it down.”

Patrick Dougher

On an impulse, twenty-year-old Riley Matthews follows her best friend’s advice and joins her at The Squeaky Hinge Bar and Grill for some much-needed fun in a life that has become dull and routine. How can that one act turn her life around so drastically?

Within days, Riley is thrown into a tangled web of men, money, and murder. Searching for love, confronting her past, and terrified for her life, there is only one person who can save her.

Surprises abound in this premier thriller by author and inspirational speaker Caryn Gottlieb-FitzGerald, who notes that writing a good mystery novel is above all an act of passion. “Creating a heroine and supporting characters a large audience will identify with is important to me” Gottlieb-FitzGerald says about her writing style.

Sixteen years in the making, *Tulips in the Sand* is an edge-of-your-seat thriller that is sure to keep the pages turning and your night light on. A must read for fiction and mystery lovers everywhere.
